## SEPTEMBER RECAP

This September our chapter retreat was in Gig Harbor we had so many adventures including building a bonfire, scavenger hunt and making our own tacos! We also held our first member meeting starting with introducing what FCCLA is and how to get involved. Furthermore at our second meeting on the trip we introduced our region 3 meeting, blood drives, and homecoming and at the end we played trivia !

## ANNUAL REGION 3 MEETING

At our Region 3 meeting we had so much fun! A huge shout out to Eli, Colbey, and Sara for leading such an amazing membership workshop! We learned new strategies to get students involved, collaborated with other chapters, and showed off our FCCLA spirit. Region 3 is strong, motivated, and ready for an incredible year ahead.

## HOMECOMING & OCTOBER RECAP

This month of October we had our Homecoming parade! Thank you to everyone who attended we had a blast handing out candy and showing our FCCLA pride! Our October meetings also focused on learning more about FCCLA, planning our upcoming blood drive, and exploring STAR Events opportunities. We are excited for everything ahead and can't wait to keep growing together as a chapter.

## SAY HI TO OUR CHAPTER OFFICERS!

### Your FCCLA President

Hello everyone! My name is Sophia Leinen, and I'm so excited to serve as your Chapter President for the 2025-2026 school year! Over the past few months, our chapter has been busier than ever. We've held five member meetings and attended the Region 3 Meeting. Each event had an incredible turnout, with around 35 members joining us each time! It's been so inspiring to see our chapter growing and staying so involved. I can't wait to keep that energy going and make this an unforgettable year together!

### STAR EVENTS!

★ STAR Events – Get Involved! Thanks to everyone who came to our STAR Events meeting on October 22nd! Missed it? You can still join in – take the STAR Events Quiz at fcclainc.org to find your best match, and ask our officer team for recommendations. There are so many great events to explore!

-Irie Guerra VP Of STAR Events

### Fun F.A.C.T's

FCCLA's FACTS program stands for Families Acting for Community Traffic Safety. It teaches teens how to stay safe on the road as drivers and passengers. Members learn about the dangers of speeding, not wearing seat belts, and distracted or impaired driving. The program also helps students create projects to spread awareness and make their schools and communities safer.

-Kennedy Clauson VP of Parliamentary Procedures

### Creating Connections in FCCLA

As your Vice President of Membership, I've been working to keep everyone updated and connected with FCCLA. My goal is to make sure members stay informed about events, opportunities, and ways to get involved. I'm proud of how our members have shown leadership and teamwork this year. Let's continue to stay active, support one another, and make this an amazing year for our FCCLA chapter!

-Eli VP of Membership

### Introduction to National Program Stand Up.

Hello, my name is Brooklyn Laughlin and I am so proud to be your FCCLA is an incredible club that brings students together; helping make our high schools feel like communities. One of our standout national programs is Stand Up, which empowers members to plan and carry out advocacy projects that make a real difference in their communities. Through Stand Up, members gain valuable skills in critical thinking, communication, career preparation, and leadership—all while improving the quality of life in their neighborhoods. This program shows how FCCLA members can make a lasting impact wherever they go.

-Brooklyn Laughlin VP of Programs

### Members of the Month - October

October's members of the month are Yassir Penick and Alli Bywater, they are being recognized because of their commitment and enthusiasm in FCCLA! They both have helped with our cookie business and both attended our region 3 meeting. They are truly outstanding members!

-Campbell Ford VP of Recognition
